

EAA Call for Nominations

It's time to begin thinking about who would like to help lead this great organization in the upcoming year. The Educational Audiology Association Board of Directors has 3 openings for terms starting in January of 2010 - President-Elect and 2 Directors-at-Large. As a member of the Board of Directors you will have a direct voice in the decision-making process as it relates to the goals, objectives and month-to-month operations of the Association.

The term of office for **President-Elect** is **three years**. You will serve from **January 2010 through December 2012, serving the first year as President-Elect, the second year as President, and the third year as Past President.**

The 2 vacant **Director-at-Large** positions are a **two-year term of office starting January 2010 through December 2011.**

We need your nominations and recommendations. You are invited to submit nominations of any individual(s) whom you feel is suited for one of these positions (including yourself). All submissions will be reviewed and approved by the Nominations Committee and the Board of Directors. The ballot for election will be sent to the membership in October 2009.

Comprehensive job descriptions of the two positions are available on the EAA Web site. Nominations must be received in our office no later than **September 25th.**

Thank you,
