

## Call for Papers

### ***2010 Journal of Educational Audiology***

The Journal of Educational Audiology is now soliciting manuscripts for the 2010 issue (Volume 16). All submissions will be peer-reviewed and blind. *JEA* publishes original manuscripts from a range of authors who work with children and their families in a broad variety of audiological settings. One of the primary purposes of the Journal is to provide a forum to share clinical expertise that is unique or innovative and of interest to other educational audiologists. Our traditional focus has been the auditory assessment, management, and treatment of children in educational settings. However, contributors are not limited to those who work in school settings. We invite authors from parent-infant and early intervention programs, as well as clinicians who work with children in related capacities (e.g. Clinical Pediatric Audiologists, Speech-Language Pathologists, Auditory-Verbal Therapists). As the only audiology journal dedicated to a pediatric population, the intent is to reflect the broad spectrum of issues relevant to the education and development of children with auditory dysfunction (e.g. children with hearing loss, auditory neuropathy/ dys-synchrony, or central auditory processing disorders).

Manuscripts may be submitted in one of the following categories:

- Article: a report of scholarly research or study.
- Tutorial: an in-depth article on a specific topic.
- Report: a description of practices in audiology, such as guidelines, standards of practice, service delivery models, survey findings, case studies, or data management.
- Application: a report of an innovative or unique practice, such as a screening program, hearing conservation program, therapy technique or other activity that has been particularly effective.

There are specific manuscript requirements and guidelines for submission posted on the EAA website ([www.edaud.org](http://www.edaud.org)) or you can obtain these by contacting the editor ([cynthia.richburg@iup.edu](mailto:cynthia.richburg@iup.edu)/724-357-5682). The information in the manuscript may have been presented previously, but not published.

Submissions of manuscripts via e-mail to the Editor are required ([cynthia.richburg@iup.edu](mailto:cynthia.richburg@iup.edu)). Microsoft Word-compatible documents and graphics are preferred. Questions or comments should be directed to the Editor ([cynthia.richburg@iup.edu](mailto:cynthia.richburg@iup.edu)/ 724-357-5682) or one of the Associate Editors, Susan Naeve-Velguth ([susan.naeve.velguth@cmich.edu](mailto:susan.naeve.velguth@cmich.edu); 989-774-7292) or Erin Schafer ([Erin.Schafer@unt.edu](mailto:Erin.Schafer@unt.edu); 940-369-7433).

\*NOTE: Submissions for the 2010 issue of JEA will be accepted until July 30, 2010. Manuscripts received after that date will be considered for the 2011 issue, unless the authors are notified otherwise.
