

Call for Papers

2017 Journal of Educational, Pediatric & (Re)Habilitative Audiology

The Journal of Educational, Pediatric and (Re)Habilitative Audiology (JEPRA) is now soliciting manuscripts for 2017 issue (Volume 23). All manuscript submissions will be peer-reviewed and blind. Similar to the 2016 issue, rolling manuscript submissions will be accepted throughout 2017, and if accepted, the article will be formatted and immediately posted to the journal website. This is your chance to get your important educational, pediatric and (re)habilitative research published in a timely and efficient manner!

JEPRA publishes original manuscripts from a range of authors who work with children and their families in a broad variety of audiological settings. Contributors are not limited to those who work in school settings. We invite authors from educational settings, parent-infant and early intervention programs, clinical settings, hospital settings and audiologists/clinicians who work with children in related capacities. As the only hearing-related journal dedicated to a pediatric population, the intent is to reflect the broad spectrum of issues relevant to the education and development of children with hearing loss or auditory dysfunction.

Manuscripts may be submitted in one of the following categories:

- Article: a report of scholarly research or study.
- Tutorial: an in-depth article on a specific topic.
- Report: a description of practices in audiology, such as guidelines, standards of practice, service delivery models, survey findings, case studies or data management.
- Application: a report of an innovative or unique practice, such as a screening program, hearing conservation program, therapy technique or other activity that has been particularly effective.

There are specific manuscript requirements and guidelines for submission posted on the EAA website (www.edaud.org), or you can obtain these documents by contacting the Editor at Erin.Schafer@unt.edu or 940-369-7433. The information in a manuscript may have been presented at a conference or meeting, but not published.

Electronic submissions of manuscripts should be sent via e-mail to the Editor at: Erin.Schafer@unt.edu. Microsoft Word-compatible documents and graphics are preferred.
