

NATIONAL SPEECH-LANGUAGE-HEARING MONTH

My Hearing Technology

All about the technology that helps me hear and learn.

Name: _____ Date: _____ Grade: _____

1. My Hearing Technology

Check every type of hearing technology you use:

- Behind-the-ear hearing aid (BTE)
- Custom or in-the-ear hearing aid (ITE)
- Cochlear implant (CI)
- Bone-anchored hearing aid (BAHA)
- Bone conduction device (softband or headband)
- Remote microphone or FM system
- Soundfield system in my classroom
- Other (write in your own): _____

2. Draw My Hearing Technology

Draw what your hearing technology looks like on each ear. Label the parts you know.

Left Ear	Right Ear

3. About My Hearing Technology

What I like about my hearing technology:

What helps me hear best in class:

4. People Who Help Me with My Hearing Technology

My educational audiologist's name:

If my hearing technology stops working, I can go to:

Something I want my teacher to know about my hearing:
