

# Who Helps Me Hear at School?

*Match each person to what they do to help you hear and learn.*

Name: \_\_\_\_\_ Date: \_\_\_\_\_ Grade: \_\_\_\_\_

**Directions:** Look at the people below. Then read each sentence and write the letter of the person who does that job in the blank.

## The People

- A. Educational Audiologist
- B. Speech-Language Pathologist
- C. Teacher of the Deaf
- D. School Nurse
- E. Classroom Teacher
- F. Principal

## What They Do

1. \_\_\_\_ Does hearing screenings at school and helps when I don't feel well.
2. \_\_\_\_ Makes sure my school has the services and support I need to succeed.
3. \_\_\_\_ Checks and fixes my hearing aids, cochlear implants, bone anchored hearing aids, or other types of amplification and makes sure my hearing technology is working great.
4. \_\_\_\_ Wears a remote microphone so I can hear clearly in class and makes sure my seat is in a good spot.
5. \_\_\_\_ Helps me practice my speech sounds, language skills, and communication.
6. \_\_\_\_ Teaches me using strategies that work with my hearing loss — like visual supports, pre-teaching vocabulary, and checking that I understand.

## Bonus: Think About It

Which person on this list do you see the most at school?

Is there someone else who helps you hear at school? Who?

*Answer Key for Teachers: 1=D, 2=F, 3=A, 4=E, 5=B, 6=C*
